

5th Greek Raw Materials Community Dialogue

DAY 1

8 December 2020

10:00-10:30 EET	<p>Welcome Opening of the 5th Greek Raw Materials Community Dialogue</p>	<p>I. Paspaliaris, Professor, NTUA - Director, EIT RawMaterials Hub-Regional Center Greece</p> <p>Anna Michelle Asimakopoulou, Member of European Parliament, European Union</p> <p>Krzysztof Kubacki, Director, EIT RawMaterials Innovation Hub CLC East</p>
10:30-10:55 EET	Key-Note Speech	<p>Mattia Pellegrini, Head of Waste Management and Secondary Materials Unit (ENV.B.3), European Commission</p>
10:55-11:20 EET	Key-Note Speech	<p>Konstantinos Aravossis, Secretary General of Natural Environment & Water, Hellenic Ministry of the Environment and Energy</p>
- Break -		
11:30 EET	<p>Integration of the Circular Model in the Greek and European RM Sector - Policies Moderator: Ioannis Paniaras, President, SEV Business Council for Sustainable Development</p>	
11:40-11:50 EET	<p>Keys to a Green Future The opportunities for mining in Europe today</p>	<p>Mark Rachovides, President, Euromines</p>
11:50-12:00 EET	<p>European Raw Materials Alliance Towards securing raw materials supply for Europe</p>	<p>Krzysztof Kubacki, Director, EIT RawMaterials Innovation Hub CLC East</p>
12:00-12:10 EET	<p>Circular Economy and minerals Greek case studies</p>	<p>Athanasios Kefalas, President, Greek Mining Enterprises Association</p>
12:10-12:20 EET	<p>Cement industry contribution in the Circular Economy</p>	<p>Dimitrios Chanis, President, Hellenic Cement Industry Association</p>
12:20-12:30 EET	<p>Circular economy: EU policy framework and current challenges</p>	<p>Vasileios Rizos, Research Fellow, Head of Sustainable Resources and Circular Economy, Centre for European Policy Studies</p>
12:30-12:50 EET	Discussion	
- Break -		
13:05 EET	<p>"Closing Material Loops": European research from linear to circular thinking Moderator: Ignacio Calleja, Senior Advisor, Raw Materials and Circular Societies Lighthouse</p>	
13:15-13:30 EET	<p>Integrated Circular Economy Business model for decoupling Europe from PGM supply EIT RawMaterials Project CEBRA</p>	<p>Iakovos Yakoumis, Founder & CEO, Monolithos Catalysts & Recycling Ltd</p>
13:30-13:45 EET	<p>Up-grading the industrial capacity in the Raw Materials value chain EIT RawMaterials Project TripleLink</p>	<p>Guido Sonnemman, Professor, Université de Bordeaux</p>
13:45-14:00 EET	<p>Creation and Integration of Novel Industrial Value Chains for SMEs in the RM & Mining Sectors Horizon 2020 Project MINE.THE.GAP</p>	<p>Santiago Cuesta López, General Manager, Fundacion Icamcyf</p>
14:00-14:15 EET	<p>Circular European Economy Innovative Training Network Horizon 2020 Project CircEuit</p>	<p>Arnold Tukker, Professor, Leiden University</p>
14:15-14:40 EET	Discussion & Closure of Day 1	

5th Greek Raw Materials Community Dialogue

DAY 2

9 December 2020

10:00-10:10 EET	<p>Welcome Opening of Day 2</p>	<p>I. Paspaliaris, Professor, NTUA - Director, EIT RawMaterials Hub-Regional Center Greece</p>
10:10-10:40 EET	<p>Process metallurgy a key enabler of the Circular Economy: Opportunities, Limits, Inconvenient Truths</p>	<p>Markus A. Reuter Dr, Senior Expert, SMS-Group GmbH, Honorary Professor, TUBAF</p>
10:40 EET	<p>Circular Economy in European and Greek RM Ecosystem: Best practices Moderator: Ioannis Paspaliaris, Director, EIT RawMaterials Hub- Regional Center Greece</p>	
10:50-11:00 EET	<p>Making secondary raw materials a reliable source for industry</p>	<p>Panagiotis Skiadas, Director of Sustainability, Viohalco S.A</p>
11:00-11:10 EET	<p>Raw materials education & Circular Economy</p>	<p>Katerina Adam, As. Professor, NTUA, Educational Advisor, EIT RawMaterials Hub- RCGREECE</p>
11:10-11:20 EET	<p>Circular Valley</p>	<p>Carsten Gerhardt, Partner, Kearney</p>
- Break -		
11:30 -11:40 EET	<p>Hydrogen technologies in circular industrial economy: Standalone systems</p>	<p>Sofoklis Makridis, As. Professor, University of Patras, Director, InnoEnergy Laboratory</p>
11:40 -11:50 EET	<p>Urban waste to raw materials using pyrolysis technology</p>	<p>Didrik Tollander, CEO, EcoMATION Recycling Technologies</p>
11:50-12:00 EET	<p>Closing the loop: how the extractive sector supports the CE - EU Guidance on Best Practices</p>	<p>Petros Maraboutis, CEO, Eco Efficiency Consulting & Engineering Ltd</p>
12:00-12:10 EET	<p>Blue Cycle</p>	<p>Suzanna Laskaridis, Founder, Blue Cycle Integrated Initiative</p>
12:10-12:30 EET	<p>Discussion and Closure of the 5th Greek Raw Materials Community Dialogue</p>	
- Break -		
12:40 EET	<p>Extractive Waste Management and Characterisation Moderator: Katerina Adam, Associate Professor, NTUA</p>	
12:45-12:50 EET	<p>Introduction to the Workshop</p>	<p>Ioannis Paspaliaris, Professor, NTUA, Director, Laboratory of Metallurgy SMME</p>
12:50-13:10 EET	<p>EU policy on extractive waste management Implementation to Greece</p>	<p>Petros Maraboutis, CEO, Eco Efficiency Consulting & Engineering Ltd</p>
13:10-13:30 EET	<p>Characterization of extractive waste-Critical parameters and tests</p>	<p>Evangelia Mylona, Mining & Metallurgical Engineer, Laboratory of Metallurgy SMME NTUA</p>
- Break -		
13:40-14:00 EET	<p>Best Practices in the Extractive Waste Management</p>	<p>Ioannis Orfanoudakis, Environmental Consultant, ECHMES Ltd</p>
14:00-14:30 EET	<p>Case study: Waste management of Kassandra mines</p>	<p>Emmy Gazea, Environmental Manager, Hellas Gold SA</p>
14:30-14:45 EET	<p>Discussion and Concluding Results of the Workshop</p>
